Pause & Pray

Lord God, at this time of uncertainty, you call us out of complacency to learn new ways of worshipping, of working and of witnessing. Help us, not to be afraid to pray boldly, and whatever challenges the future may hold, we place our trust in You. Amen

COUNCIL AND POLICY MAKERS

Lord God, you are a God of order, we commit to You today our local council and policy makers. We pray for good working relationships, strong accountability, effective budgeting and policies that make a difference in our community. Lead and guide our councillors in ways of truth, justice and peace. Remind them of the people they represent, the democracy they believe in, and the trust that they have been given by the people. Bless every decision they make that is founded in integrity and humility and protect them from temptation to seek personal promotion or gain. Inspire them to work for the transformation of society and to campaign for the good of our area. In the name of Jesus. Amen.
