Dear Friends,

'Just in case'. How often do these words encourage our actions?
As we are moving into the last month of autumn and are approaching the winter, we are entering a time of year when perhaps we are more conscious of our need to be prepared for changing situations.
Colder weather might cause us to consider topping up our heating oil tanks. The darker evenings are perhaps encouraging us to wear more reflective items when going for walks. Stormier weather might be prompting us to think about how to better cope with power supply failures. It is good to be prepared and think about some 'just in case' situations. Sometimes forward planning can save a lot of distress in so many experiences that come our way without expectation.
However, Jesus famously said during the 'Do not worry' part of his Sermon of the Mount "*Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own*." (Matt. 6v34). Does this imply that considering the 'what ifs' is an expression of a lacking faith?
I think Jesus encourages us to trust in God and try not to worry. Focusing too much on 'what ifs' can be overwhelming. Worrying takes away from our trust in God as our provider and carer. Unnecessary worry can have a negative impact on our outlook and mental health.
I do believe that we should take moderate measures where we can take, so that we can be prepared for what tomorrow might bring. We should not be reckless and use trust in God to be an excuse for taking sensible actions. But let us not allow the 'what ifs' to become lasting worries. Let us know that some things we can prepare for, and others we just have to leave with the Lord. He knows the future, we cannot. May we allow him to be God, and in all things trust in him.
With our worries, let us bow before the Lord who invites us to come to him.

Yours in Christ,

Malcolm

BOWLING CLUB

We recently held our AGM in the presence of the Rector. After many years of faithful service Anne Stevenson has stepped down from her rol as Secretary. Following an election, it was proposed and seconded that Mr Gregory McCarten will fulfil the role.

We wish to sincerely thank Anne for all her hard work and devotion to the Bowling Club over many years. Anne diligently arranged matches against other teams as well as ensuring the kettle was always on!

Practice is going well and the club members are heartened to have a young member join – Lucy!

Delighted to report a WIN against 1st Armagh Presbyterian Church. We meet on Wednesday evenings at 8pm in the Crozier Hall – we'd love for you to join us!

CAFE HOPE IN NOVEMBER 2026

Cafe Hope is expanding its remit to provide a regular programme of topics that it is hoped will encourage more parishioners and their friends to come and join the regular and very loyal group of cafe participants who take part every week.

The programme for November will be as follows:
4th - Walking for wellness (indoors and out)
11th - Remembering together
18th - Play Boccia
25th - Maintain your brain

The health benefits of walking are well reported, and indoor walking for as little as 10 minutes a day can generate 1000 steps alone. On Wednesday 4th we will together consider the benefits of walking, and participate in a short walk indoors or out, weather dependent. Walking as a spiritual practice as well as mindful walking will be part of the discussion, within the overall theme of walking our way to mental and physical well-being.

Wednesday 11th is Remembrance Day and an opportunity for us to remember together important aspects of our lives. Perhaps a person who has died, or a pet, maybe a place we remember living in, or travelling to, we encourage you to bring items to help tell your story of remembering and the benefits of sharing experiences that help us to retain emotional connection to the most important memories of our lives.

Boccia is an indoor soft ball sport, similar to bowls, where seated players propel leather balls to land as close as possible to a white target ball called the ‘jack’. We will be able to play in pairs or teams of three, and together we’ll enjoy the benefits of connection, competition and exercise. Our cafe venue is ideally suited for bocci and along with our drinks and treats, there is every likelihood of lots of fun together on Wednesday 18th.

On the 25th we are going to consider ways of maintaining our brain health. There is a lot of research on this important topic, and we’ll have an opportunity to consider the benefits of keeping our brains stimulated and active as we age, the importance of maintaining personal connections, exercise of any kind, as well as rest and relaxation.

Our cafe is open every Wednesday unless notice is given otherwise, between 3 and 5pm, and please know you are welcome to drop in at any stage and stay for a little time or for all the time we are open.

The topics we are engaging in each week will be covered in a relaxed and informal way, all part of the atmosphere we are focused upon, which is warm, welcoming and informative.

Cafe Hope is for everyone and given our church location reflects the communal life that Jesus modelled, he having taught of the spiritual benefits of people gathering together, sharing experiences, eating together, and encouraging each other as we journey through life.

‘Therefore encourage one another and build one another up, just as you are doing’ (1 Thessalonians 5:11)
